

# A ONE OF A KIND FOOTBALL EXPERIENCE

WE ARE #FCMC

**FC Malaga City Academy** provide talented players from across the globe the opportunity to experience a one of a kind football programme.

From daily training delivered by UEFA Pro Licensed Coaches to a world class fixture schedule, we provide a truly unique footballing experience enabling players to thrive on and off the pitch.

Based in Almuñecar, players are fully submerged in a full time football programme with the one goal of achieving footballing success.

We're proud to have built relationships with some of Europe's most successful clubs, in recent seasons coming up against the likes of Real Madrid, FC Barcelona, Atletico de Madrid, Sevilla CF, Valencia CF, Granada CF, Manchester City and Norwich City.

Represented by players from over 35 countries across 6 different countries, we provide a truly unique opportunity to connect with people from around the world.

## UNDER 19s

FC Malaga City Under 19s is a youth team for elite level players from around the world, coming up against professional academies on a regular basis.

Not competing in a traditional Spanish league, we have the ability to handpick our opponents and test ourselves against the very best across the continent.

## UNDER 23s

FC Malaga City Under 23s provides the perfect transition from youth football into senior football.

Competing in the Spanish League System, players can adapt to the physicality and style of play whilst also being regularly monitored by professional clubs across the country.

## SENIOR

FC Malaga City Seniors is the pinnacle of the academy system, competing in the Andaluza Primera Division (Malaga), the sixth tier of Spanish football.

With players from all around the world, the club has developed a strong local fanbase and aims to be the heartbeat of the community.

# EDUCATION

**FC Malaga City Academy** are proud to offer world class education opportunities to athletes alongside our full time football programme.

We believe that it is important for young footballers to pursue a "back up" option to aid them in their careers both on and off the pitch.

Working alongside world class education providers such as **Accelerator School** and **UK Sports Academy**, we provide a wide range of courses to suit the need of players from high school studies to foundation degrees.

Players will benefit from a modern approach to learning through a mixture of online lectures, face-to-face tuition, seminars, practical activities and work experience.

By working closely with our providers, we can ensure that players can feasibly complete both football and education programmes to the best of their ability.
